Habeas Corpus

The intention of this intellectual property, Will and Words of Ronald Charles Vrooman, is for the unconditional and immediate release and/or discharge from unlawful and illegal detainment in the form of a condition of probation and confinement due to ultra vires acts by the former STATE OF OREGON instrumentality of THE UNITED STATES OF AMERICA, defendant. Having operated outside of, and in absolute violation of, each real-man's Oath or Affirmation aka acceptance and acknowledgement of employment and the explicit terms thereof, and the Original Contracts aka the Declaration of Independence c1776, the Articles of Confederation, the Constitution of/for the u(U)nited States of America c1819 through 1860 and the Constitutions of Oregon c1859 original, constitutes at minimum ultra vires acts, thereby voiding the Original Contracts and their employment.

The defendants have forfeited, by an operation of law, the rights and privileges of any and all purported sovereignty, authorities, jurisdictions, venues, procedures and law forms to exist and be utilized, in force, effecting and affecting myself at any place and/or any time, without limitation.

The violations include but are not limited to, the following, to wit:

- operating and/or conducting business by, under and/or pursuant to any nature, shape, cause, kind, form and format of corporate, commercial, military, political, ecclesiastical and other capacities, characters, conditions, status, standings not explicitly authorized by the Original Contracts;

- altering and/or changing jurisdictions, venues, law forms, authorities, procedures, law forms not explicitly authorized by the Original Contracts;

- operating and/or conducting business by, under and/or pursuant to any nature, shape, cause, kind, form and format of emergency and other purported powers, authorities and/or procedures not explicitly authorized by the Original Contracts;

- non-compliance to/with Article 3 section 2 of the Constitution for the United States of America c1819 which explicitly states and commands the delegation of Original Jurisdiction of all cases in which a State is a party to the Supreme Court of the United States of America. The plaintiff in UC 7945181 was state of Oregon. I am a non US citizen. State of Oregon is the corporate governance not government. I am private. How can that be

- non-compliance to/with the Constitution for the United States of America c1819 Article 6 which explicitly states and commands that the Constitution of/for the (u)United States of America c1819 through 1860, and the Oregon Constitution Original and laws in pursuance thereof, shall be the "Supreme Law of the Land", and that all State judges shall be bound thereby, and that all executive and judicial officers will be bound by oath or affirmation to support the same. It is on the record that Mercer agreed with me that the 1st law of the land was the Constitution and the 2nd law was the Oregon Constitution Original.

- non-compliance to/with Article 1 section 1, 20 of the Constitution of Oregon and the West Virginia Constitution which explicitly states and commands that all of the Original Contracts are fully operative, in full force, affect and effect at all times and all places, without limitation; by full faith a credit appears here.

Bill for Specific Performance of a Contract

Under, and out of, the authority of absolute necessity. A new case in Equity.
 Notice to agent is Notice to principal, Notice to principal is Notice to agent.

Solely for the purposes of this bill, under, and out of the authority of absolute necessity, I will hypothetically assert and aver that I am a lawful State National Oregonian type of Citizen for/on the United States of America, in consideration of the Founding Documents including t(T)he Constitution for/of the u(U)nited States of America c1819 thru 1860 being in full force, affect and effect at all places and all times, and am not an enemy thereof. As is the Oregon Constitution original.

Further, I claim, accept, acknowledge, declare, possess and utilize unalienable Creator granted rights, privileges, freedoms and immunities at all places and all times within Creation, without limitation, equivocation, mental reservation or secret evasion...

Further, I assert and aver that I conditionally accept, claim and acknowledge the Declaration of Independence c1776 and the Articles of Confederation prior and now concurrent with Constitution for the United States of America c1819, hereinafter referenced as the Original Contracts, for my benefit, use and enjoyment. There is so much word art and deceit, fraud, color of law, legal fiction that the actual document must be stipulated.

Further, I assert, declare and aver that I am the Real-Party-in-Interest, Holder-in-Due-Course, Secured Party, Grantor, Bailor, Administrator, Creditor, Custodian, Beneficiary to, and for, any and all alleged political and other powers administered by legitimate and lawful governments constructed and effectuated by real-men including , but not limited to, services and goods providers in the nature of corporate governance, government, trusts, systems, networks, regimes, hierarchies and any and all other limits and constructs of any nature, kind and construction; I hereby knowingly, willingly, intelligently and intentionally cancel and correct all presumptions and assumptions to the contrary. My specific rebuttal to the 12 presumptions is in the record of D144354M and UC 7945181, which are restated in their entirety, and incorporated herein, as if set forth in full, therefore it is in this case fact.

Further, as a purported Citizen for the United States of America, and not an enemy thereof, I conditionally assert and aver that I am a party to the Constitution for the United States of America c1819, through lawful bloodline on this American land without exception father to son since 1664. With two direct ancestors a son and father, veterans of the American Revolution from New York and therefore have proper standing, status, character, condition and capacity to sue out this Bill for Specific Performance of a Contract. My specific status etc, is filed into UC 7945181 and is hereby restated in its entirety, and incorporated herein, as if set forth in full, and as it was not rebutted stands as fact. I will provide a copy by email upon request. I am a private Oregonian.

Furthermore, as a party with proper standing, status, character, condition and capacity I can, and do hereby, assert, aver, claim, accept, acknowledge and enforce my contractual claim and right to the protection and enforcement of strict compliance and performance to the same, without further hinder of delay is the acceptance and exclusive use of governing law...

The defendants have agreed to, accepted and acknowledged the cases 3;17 cv 977 ac and 3;17 cv 990 SI, which is hereby restated in its entirety, and incorporated herein, as if set forth in full, as filed and

served, and to accept as passed and enacted by the People, by, under and pursuant to the intent of the People, by, under and pursuant to the Oaths and/or Affirmations taken and subscribed by the defendants and/or the taking of any form and format of compensation and consideration;

At the time of Conquest and thereafter, any laws in force, affect and effect stay in place with full force, affect and effect until such time as the new authority repeals or alters the same;

This Specific Bill in Equity has never been repealed or altered to this day;

If this purported government, THE UNITED STATES OF AMERICA, a corporate governance exists and operates as mere fictions of law, by, under and pursuant to the Constitution for the United States of America c1819, then the same must absolutely comply to the explicit and limited written directives and authorities contained therein; Any action or inaction outside the explicitly written limits of the aforementioned Original Contracts would be ultra vires, thereby voiding and forfeiting, by an operation of law, the very same Contracts aka Constitutions, and the ability to maintain, enforce and/or claim certain standings, status, characters, conditions, capacities, authorities, jurisdictions, venues, law forms and/or existence in Law, at Law and otherwise;

The city is a subdivision of the county of; the county is a subdivision of the state of; is a subdivision of the of the US Inc in its forms.

Because of the foregoing and that hereafter, I seek immediate implementation and effectuation of the Bill for Specific Performance of a Contract;

There exists in the aforementioned Original Contracts no provision(s) and/or clause(s) for any real-man or fiction of law, allegedly formed by and/or operating under the same, to deviate from or violate the same.

In fact, Article VI of the Constitution for the United States of America c1819 through 1860 outlines the and authorizes the explicit and specific terms for any and all public servants and/or public trustees, quite clearly and succinctly, in order to maintain and enforce their very limited scope of authorities and/or procedures; be it known, all those listed are, persons in the deploy of corporate governances enforcing the codes on one of we the people unlawfully and without proving their own claims in the other courts in this Building.

Nowhere within the Original Contracts does THE UNITED STATES OF AMERICA and those in its employ possess the contractual right, privilege, standing, status, capacity, character, condition and/or authority to interfere in a private contract or to enforce a claim to and within the same. It is thought after investigation civilly and filed into 3:17 cv977ac, AG/DOJ advised and papers filed, the USMS is notified as is the GSA And now in this case with this docket number.

Article VI of the Constitution for the United States of America c1819 specifically and explicitly states and commands the following to wit:

"This Constitution and the laws of the United States which shall be made Pursuance thereof...Shall be the Supreme law of the land, and the Judges in every state shall be bound thereby...and all executive

Ronvrooman38@gmail.com

and judicial officers, both of the United States and the Several States, shall be bound by Oath or Affirmation to support this Constitution."

Further, Article I section 3 of the Constitution of West Virginia, with full faith and credit it applies on Oregon, specifically and explicitly states and commands the following to wit:

"Continuity of Constitutional operation-The provisions of the Constitution of the United States, and of this state, are operative alike in a period of war as in time of peace, and any departure therefore, or violation thereof, under the plea of necessity, or any other plea, is subversive of good government, and tends to anarchy and despotism."

ORCP 20 A- by full faith and credit appears here. Oregon state Constitution is called into discovery here. a photo by me of the Original is consider correct discovery.

There is absolutely no authority contained within and/or authorized by, the Original Contracts for the effectuating, implementation, exercise, enforcement and/or utilization of inherent or implied powers, authorities, jurisdictions, venues and/or law forms, regardless of whether they infringe or violate the Original Contracts or not; fraud vitiates all.

Example: Some say Oregon the territory obtained statehood 1859 with the banner "STATE OF OREGON. So, the flag belongs to a fiction in commerce. I am a private man with my status, as fact, filed into two courts of record. So how does the new state Oregon the government publish a corporate flag??This is also under investigation. Oregon may be the last state to obtain statehood lawfully, Constitutionally. We know and have proven that the Fraud by Benson and his group Nov 8, 1910; of usurpers installed Article VII amended. None since have corrected the fraud the legal fiction of color of law. Ignorance of the law is no excuse. If you work for the corporate governance and took an oath A copy has been declined. I offered to take my own photos of these public documents each person appointed or elected must provide their bona fides on demand. I deny, that the current government elected by the Constitutionally empowered election style. I have asked , demanded proof of, your claim of who you are. Identify yourselves in equity and take your lumps. I deny your claim, prove it. I deny that the current Oregon flag is a true statement in the language of law and flags and the equity also.

However, the Charter for Beaverton City was submitted to the founders by Oregon State. That is government. The government went to Hillsboro and incorporated as city of Beaverton. That is the moment of the fraud. There is no authorization from the people to change the charter from a government to corporate governance. it is believed that city officials are elected into de jure and sit in de facto. The city refuses public records demands. I deny city of Beaverton and Beaverton city are the same. We need government not corporate governance for hire. That is the division point.

Any alleged real-man injured party, plaintiff, party for; in Law and/or Equity, has every right and authority to seek any and all claims, remedies and/or reliefs, civil and/or criminal, against myself, but THE UNITED STATES OF AMERICA does not possess the Original Contracts authority for the same; UN-indicted co-conspirators to be laid claim. Under investigation and listed in the court with 977 included and 990 included appears to be the wrong court. I will maintain the cv case and obtain remedy in equity under the appropriate identification.

There exists no absolute and explicit Original Contracts authority for the implementation, exercise, and/or enforcement of malum prohibitum authority, jurisdiction and/or venue against a purported

Oregonian State National Citizen for the United States of America 1819 documents.; an Oregonian Ronald Charles Vrooman a man is trustee to the RONALD CHARLES VROOMAN PMA and yata yata is private without mala in se crime. PMA filed and fact. False arrest and incarceration already filed into this case. In equity with a properly researched filing. At this time we add Beaverton Oversight Committee's statement. Affidavit of truth by Ronald Charles Vrooman; We the members of the Beaverton Oversight committee met on the record on or about April 2015 as previously stated on the recorded public record on video at the city of Beaverton's website.

At the council meeting I asked for the floor and was given it. I read the rules of the Beaverton Oversight Committee into the record. I heard one of the people say I move to make that a motion. I heard a second. I called for the vote and there were only and many, many yeah and when asked against no one spoke. The motion carried by the people. BY charter the only ones that can alter the original charter. Thus it was done. All original documents are available in court. Several of us made an appointment with the city Manager for the next day. When we showed up they had two cops exclude us from the building. Without cause and to ignore the newly elected Beaverton oversight Committee.

The Beaverton Oversight Committee obtained a Fed ID number; a bank account and set up electronic billing and invoice the city of Beaverton several times and included statements. The city of Beaverton will not honor a binding contract with a group of known private people in trade.

The alleged THE UNITED STATES OF AMERICA and those in its employ have failed to prove and/or acquire Original Contracts compliant jurisdiction and venue applicability to in any way interfere with a private contract. I deny the city of Beaverton is the lawful governance in a chain of due process provenance from the date of the charter.

Irreparable harm and injury is being caused by the defendants every single day that I am unlawfully refused the guarantee of my right, privilege, freedom, immunity and prerogative to exist and domicile with my other half, or as a solo sovereign American state national..

This is the cusp. Enforcing the codes, rules, regulations, statutes, procedures, of a corporate fiction a public realm took unlawful action against a private man. I deny their authority in jurisdiction and they have failed to prove their claim.

Remedy / Relief

Payment of \$250,000 each of the defendants John Mercer, Erin Kirkwood, Frank Ravelo, Pat Garret the statutory amout for 1 due process violation. This is a breach of contract by due process violations and as such the same damages as 18 USC 3571.

Further, demanded and required is any order, judgment, decree and/or writ necessary to secure the immediate and absolute compliance to each and every clause of the Original Contracts, the Declaration of Independence c1776 through the Constitution for the United States of America c1819 and the Oregon Constitution [presumed as the state of Oregon will not produce the founding document], by and through any and all real-men and fictions of law previously, and now presently, causing irreparable harm and injury to myself; most specifically those identified within UC 7945181.

Quo Warranto for a new case in Equity. #

I, Ronald Charles Vrooman, am the Real-Party-in-Interest, Holder-in-Due-Course, Secured Party, Grantor, Bailor, Administrator, Creditor, Custodian and Beneficiary to, and for, all alleged political and other power(s) administered by legitimate and lawful governments constructed and effectuated by real-men Living Souls including, but not limited to, service and goods providers in the nature of government, trusts, systems, networks, regimes, hierarchies, and any and all other limits of any nature, kind and construction. I knowingly, willingly, intelligently, and intentionally cancel and correct all presumptions and assumptions to the contrary.

By these Presents, I, Ronald Charles Vrooman, being of plenary capacity, character, condition, status, standing and responsibility, under full liability and complete transparency, pursuant to the Original Contracts aka the Declaration of Independence c1776 and the Constitution for the United States of America c1819 through 1860, do sue out and demand this Quo Warranto be implemented and effectuated without further hinder or delay.

I, Ronald Charles Vrooman, a real-man Living Soul Heir of the Creator realized and domiciled on, and in, Creation, has the plenary right, privilege and prerogative to require and have every real-man purporting authorities, powers and/or prerogatives of any nature, shape, cause, kind, form and format, to absolutely comply with the Original Contracts allegedly describing and authorizing the same, as the Original Contracts, and the intent thereof, are being violated and causing immediate and long-lasting irreparable harm and injury to myself and mine.

I deny that any and all of the named defendants are lawfully occupying any position of authority and trust and lawfully utilizing Original Contract's compliant authorities, powers and/or prerogatives of any nature, shape, cause, kind, form and format.

I deny that there is explicit Original Contracts authority for the altering, repealing and/or ignoring the written words and letter combinations, and the common-sense intent thereof, allegedly ordained by the real-man Living Souls in this perception and/or reality on, and in, Creation.

I deny that there is explicit Original Contracts authority to alter and/or repeal the law form, venues and jurisdictions allegedly approved, ratified and authorized by 1819 as the Supreme Law of the Land.

I deny that there is explicit Original Contracts authority to delegate the limited delegated authorities and procedures, nor to claim the protection of the Original Contracts as defenses thereto, when committing ultra vires acts.

I deny that there is explicit Original Contracts authority to attempt to, or in fact to, ignore, override and/or violate my Creator granted rights, privileges, freedoms, immunities and/or other properties at all times and all places, so claimed, reserved, accepted, acknowledged and exercised by myself, by and through my Will and Words.

I deny that there is Original Contracts authority to utilize, and operate under, emergency and/or other extra-ordinary powers and procedures of any nature, shape, cause, kind, form and format at any place and at any time.

Ronald Charles Vrooman General Delivery Beaverton, Oregon [97005] 503 641 8375

I deny that there is Original Contracts authority to change and/or alter the meaning and intent of the letter combinations contained therein.

I deny that there is explicit Original Contracts authority to change and/or alter guaranteed jurisdiction(s), venues(s), law form(s), authority(ies), power(s), procedure(s).

I deny that there is explicit Original Contracts authority to enact, effectuate and utilize military, commercial, corporate, ecclesiastical and other powers, authorities and/or procedures against real-man Living Soul Heirs of the Creator.

I deny that there is explicit Original Contracts authority to create and maintain trust(s), estate(s), and/or other limits and constructs of any nature, shape, cause, kind, form and format that in any way, shape and/or form affect and affect the real-man Living Soul Heir of the Creator, without the explicit consent or knowledge thereof.

I deny that there is unwarranted and/or other unwarranted physical unrest and violence which "may" permit the effectuating and utilization of war, emergency and/or other extra-ordinary powers, authorities and/or procedures.

I deny that the Original Contracts in any way confine, restrain, alter and/or define any and all things granted to the real-man Living Soul Heir of the Creator.

I deny Article VII amended Oregon Constitution is valid as no votes were counted 11/8/1910.

The ultra vires acts include, but are not limited to, the following to wit:

Operating and conducting business under corporate, commercial, military, political, ecclesiastical and other capacities, characters, conditions, status, standings, jurisdictions, venues and/or law forms.

Altering and/or changing jurisdiction(s), venue(s), authority(ies), procedure(s), law form(s).

Operating and/or conducting business under emergency and other purported power(s), authority(ies), and/or procedure(s).

Non-production of first-hand fact evidence of Original Contracts compliant jurisdiction, venue and law form.

Non- production of first-hand fact evidence of my knowing, willing, intelligent and intentional act(s) of putting myself upon the defendants at any place and at any time without limitation.

Because of the foregoing, without limitation, any charters aka Original Contracts are null and void for ultra vires acts, which are defined hereafter, to wit:

Acts beyond an official's statutory authority, of course being Original Contracts compliant;

Acts taken pursuant to constitutionally void powers; and

Acts exercised in a constitutionally void manner;

The ultra vires act(s) render the forfeiture, by an operation of law, of the Original Contracts, thereby revoking and extinguishing, in their entirety without limitation, any and all powers, authorities, prerogatives, procedures, jurisdictions, venues, law forms, et cetera, enacted, effectuated, enforced and utilized to the detriment, equitable and otherwise, of a real-man Living Soul Heir to the Creator Ronald Charles Vrooman.

The ultra vires act(s), by an operation of law, render the defendants unable to enact, effectuate, enforce, utilize and maintain any capacity(ies), character(s), condition(s), status, standing(s), jurisdiction(s), venue(s), law form(s), authority(ies), procedure(s), prerogative(s), et cetera, which "may" have authorized proceeding and interfering against mine and myself at any place and at any time.
